

Erie Community Food Bank presents:
Neighborhood Bag Program

How it works: Set up a regular date where you pick up food items for the Erie Food Bank from your neighbors. You give them a bag and throughout the month, they can put food in it. On a specific day, you and your family can pick up the bags and give them another for the next pickup. It can be every month or every other month. Whatever works best for your family. We will not need any food items in December and January.

Steps to do it:

1. Find neighbors who want to participate. It can be as many as your family is comfortable with. Give them a bag and some ideas on what kind of food the Food Bank needs. Get their email or cell phone number so you can remind them before you come.
2. Set up a day and time to pick up the bags on a regular basis.
3. Submit your plan (below) to Joanna Toy at the Food Bank.
4. Come to the Food Bank and get bags or coordinate a pickup with Joanna Toy.
5. Start collecting! You can bring the food to the Erie Community Food Bank any time they are open:

635 Pierce St.

Downtown Erie (In the alley behind the Chamber of Commerce)

Open: Thursdays 12-2 and 5:30-7:30

Every 2nd Saturday from 9-11

Family Name: _____

Main contact Name: _____

Main contact email: _____ Main contact phone: _____

Neighborhood: _____

Pick-up day: _____ How often? _____

How many neighbors are participating? _____

- REMEMBER- This is your program. There are really no set guidelines besides reusing the bags. Do whatever will work best for your family. Please let me know of any questions. We are just starting this out so you can help us fine tune this program! 303-520-2528. We will send out a monthly email with specific needs.
